

BEAUTY WINS THE BEAST.

I wish that I had rosy cheeks
And great big baby eyes.
And wore my hair marcelled and puffed
To just the latest size,
And had a "Merry Widow" hat,
And figure so petite.
Then, coming home upon the L,
Perhaps I'd get a seat.

FOR PRESIDENT,
WILLIAM H. TAFT,
of Ohio.

FOR VICE-PRESIDENT,
JAMES S. SHERMAN,
of New York.

FOR CONGRESS,
Hon. JOSEPH B. BENNETT.

Of equal importance with your choice for President and Vice-President next Tuesday is the question of voting "yes" on the proposition to issue \$30,000 20-year bonds to finish and develop the school buildings of Maysville. The proposition should receive the support of five-sixths of the voters of the city, as there is but one logical side to the question and that is on the side of progress and higher education.

If you are a poor man it costs you nothing and if you are a property owner, large or small, the question should appeal to your wisdom and judgment as an investment with more in it to you than six per cent.

To issue the bonds will give the taxpayers 20 years to liquidate the \$30,000, whereas to defeat the proposition will only compel the Board of Education to levy a special tax to complete the work on the buildings and grounds as now necessarily outlined.

During the next six months Maysville people will awake to the fact that the \$100,000 invested in new and modern school buildings is the wisest and most progressive step ever taken by the city.

The matter is of equal benefit and importance to the Colored people too, as by voting the \$30,000 the Board of Education will be enabled to improve and enlarge the Colored School Buildings and place them in respectable and up-to-date shape, far ahead of anything expected.

The women of Maysville should urge the voters, for their children's sake, to vote "yes" on the school bond proposition.

Remember, that to vote "No" means that you are a mossback and a knocker and that you don't want to see Maysville grow and her 1,200 children placed upon an equal footing with the youth of other cities.

Vote "yes" and be proud of it.

Mr. Bryan is the one big example of a man growing richer as his theories and fallacies are proven utter failures when subjected to practical tests.

Mr. Bryan prophesied that the Tariff would crush the farmer. Has it done it? The American farmer today is the richest and most independent citizen on earth.

Thousands and thousands of Coxey army recruits who carried a Bryan banner in 1896 are riding in automobiles today because Mr. BRYAN was defeated for the Presidency.

REV. GEO. W. RULAND

Says Vinol Built Him Up and Strengthened Him When Run Down and Overworked

"I have used the cod liver and iron preparations, Vinol, as a tonic and I do not believe there is any other medicine that can equal it. It built me up and strengthened me when run down and over-worked. Vinol has done for me more than was claimed for it." Rev. George W. Ruland, Keene, N. H.

Vinol is an honest medicine; it contains no injurious drugs, but it actually does contain all of the medicinal corative and body-building elements of cod liver oil actually taken from fresh cods' livers without a drop of oil to upset the stomach and retard its work, and tonic iron added.

Vinol is recognized throughout the world as the greatest strength creator for old people, weak, sickly women and children, and to build up strength after sickness.

Vinol is also unexcelled for backing croups, chronic colds and bronchitis.

If Vinol fails to give satisfaction we always return money on demand.

WORTHINGTON—RICE.

"Walnut Grove," the beautiful country home of Mr. and Mrs. J. Harvey Rice, was the scene of most charming hospitality last evening upon the occasion of the marriage of their daughter, Ethel, to Mr. Walter Worthington.

The halls and staircase lent themselves very prettily to the tasteful decorations of autumn leaves and goldenrod, with rich evergreen as a background, while in the parlor, library and dining room the predominating colors of the whole occasion—pink and white—were evidenced in the masses of chrysanthemums, roses and festoonings of tulle and ribbon. In the library the beautiful bridal arch, trimmed in smilax, tulle and decorated with candles and pink chrysanthemums, made a charming setting for the bridal party.

Promptly at 7 the impressive chords of the Lohengrin Wedding March were sounded, and two little ribbon-bearers, Misses Catherine Reed Calvert and Evelyn Lloyd, in dainty white dresses and pink sashes, appeared at opposite doors of the library carrying ribbon staffs. Meeting in the center of the room, they made a charming guard for the rest of the bridal party. Following came Miss Elizabeth Waller, gowned in pink mousseline silk and carrying white chrysanthemums; Mr. Frank Rice, brother of the bride; Miss Scottie Worthington, also dressed in pink silk and carry chrysanthemums, entered with Mr. Maurice Kirk, followed by the bride and her Honor Maid, Miss Galtkill of Winchester. Miss Rice looked unusually stately and beautiful in a handsome gown of Directoire satin and the long wedding veil with its crown of orange blossoms. The bouquet of Bride's Roses, with its shower of lilies of the valley, added a graceful touch to her bridal costume.

Miss Galtkill was charmingly gowned in pink satin and carried pink chrysanthemums.

They were met at the arch by the groom and his best man, Mr. Will Harbeson, and, turning, the young couple faced their large number of friends and relatives, while the officiating Clergyman, Mr. Grubbs, said the impressive marriage service.

Immediately after the ceremony, the bridal party passed into the dining-room, where a delicious supper was served. The bridal table was beautiful with its softly shaded lights and tasteful arrangements. From the chandelier was a shower of smilax and chrysanthemums, while rare lace over pink and pink roses carefully scattered over the cloth, and dainty hand-painted name cards carried out the color scheme. Toasts were drunk to the bride and groom in one of the wedding gifts—a beautiful silver loving cup. The cake, with its symbolic ring, darning needle, button and silver coin, was cut in breathless anxiety.

After receiving the congratulations of their friends, Mr. and Mrs. Worthington, accompanied by many of the guests, drove to Maysville to take the C. and O. train for a few weeks travel in the East.

The large number of beautiful presents received attested to the popularity of the bride and groom, and their departure to a new home will be keenly felt in the social circles of Maysville and Mason county.

HELP THE NEEDY

A Praiseworthy Movement—An Appeal to the Charitable

The Ladies' Missionary Society of this city has secured a room in the Glasgow Building, corner Second and Sutton streets, where they have established headquarters for the winter.

It has become known to the Society that there are many children in this city who are prevented from attending the Public Schools owing to a lack of warm and sufficient clothing, and they have taken it upon themselves to remedy this unfortunate state of affairs by appealing, through the columns of THE LEDGER, to the good citizens of Maysville to aid them in their laudable undertaking and purpose of bettering the condition of all those worthy of aid, in order that they may not be denied the privilege of attending school for want of insufficient clothing.

The room will be open every Saturday afternoon for the receiving of donations, and they graciously ask of those who desire to contribute garments to send them in to the Society in a shape that they may immediately be given

over to the applicants. Anyone wishing to give material of any kind can do so and it will be made into garments by members of the Society.

Winter is coming on and there is urgent need that prompt action be taken in the matter. Will you be among the first to respond? Remember, room will be open Saturday.

Danderine

GROWS HAIR

and we can

PROVE IT!

A lady from Minnesota writes: "As a result of using Danderine, my hair is close to five feet in length."

Beautiful Hair at Small Cost

HAIR troubles, like many other diseases, have been wrongly diagnosed and altogether misunderstood. The hair itself is not the thing to be treated, for the reason that it is simply a product of the scalp and wholly dependent upon its action. The scalp is the very soil in which the hair is produced, nurtured and grown, and it alone should receive the attention if results are to be expected. It would do no earthly good to treat the stem of a plant with a view of making it grow and become more beautiful—the soil in which the plant grows must be attended to. Therefore, the scalp in which the hair grows must receive the attention if you are to expect it to grow and become more beautiful.

Loss of hair is caused by the scalp drying up, or losing its supply of moisture or nutriment; when baldness occurs the scalp has simply lost all its nourishment, leaving nothing for the hair to feed upon (a plant or even a tree would die under similar conditions).

The natural thing to do in either case, is to feed and replenish the soil or scalp as the case may be, and your crop will grow and multiply as nature intended it should.

Knowlton's Danderine has a most wonderful effect upon the hair glands and tissues of the scalp. It is the only remedy for the hair ever discovered that is similar to the natural hair foods or liquids of the scalp.

It penetrates the pores quickly and the hair soon shows the effects of its wonderfully exhilarating and life-producing qualities. One 25-cent bottle is enough to convince you of its great worth as a hair growing and hair beautifying remedy—try it and see for yourself.

Saturday, October 31st,

1908, is Piano Day in our big Closing-Out Sale. Upon this day our energies will be devoted to the Piano Department.

CAUTION.

Please do not visit our sale upon this day expecting to purchase furniture. Remember these three facts, please:

The date—Saturday, October 31st.
The special—Pianos.
The fact—Marvelous Propositions.

With these facts in mind we ask your attendance at the following hours, and please do not burden us except upon the hours in which the makes of pianos in which you are interested are on sale:

From 7 to 9 a. m. will be devoted to "The Howard" Piano. This is a piano with which you are all familiar, having been sold in your midst for several years by the Baldwin Agent. You are likewise familiar with the prices that you have always been charged for the same Howard Piano. We say "Prices" advisedly, for it is a fact that you paid all the way from \$200 up to \$250 for Howard Pianos. At the hours named next Saturday we will sell you the same Howard Piano, in nicely carved upright case, for \$85.

From 9 to 11 a. m. we offer you Cable & Sons' Piano, in massive upright cabinet, grand case. This is a \$250 instrument and an offering that will be quickly appropriated at \$98.

From 12 a. m. to 4 p. m. we offer five (5) genuine Kohler & Campbell Pianos at prices that give us heartache. The Kohler & Campbell Piano is our favorite—a first product of an old-time manufacturer who devotes the closest attention to the minutest detail of his art. The Kohler & Campbell Piano is indeed a work of art, witness to which you can find in a number of the best homes in Maysville.

From 4 to 6 p. m. we give you Ebersole Pianos. We say "Give" advisedly, for it is a shame to separate one's self from an Ebersole Piano at these prices. The Ebersole, as you well know, is "The Conservatory of Music" Piano, and is quite famous throughout the Ohio Valley. The Ebersole prices are familiar to you—\$365 to \$450—and they are worth every cent they cost. If you will call between the hours of 4 and 6 p. m. next Saturday we will let you take one of these "Music College" pianos from us at about one-third its worth.

From 6 to 9 p. m. we give away the Auto-piano. The Auto-piano is the original and genuine self-player piano, a world renowned piano that sells at \$550. To the fortunate ones who call at the hours stated next Saturday new Auto-piano in beautiful case will be sold at \$318.

Our story is told. It is now up to you to act. Remember the date, Saturday, October 31st, and select the hours in which instruments that you are interested in will be offered.

WHY Dress in Somber Colors Now Any More Than in Spring?

Brighten up! Just because nature is not gayly attired is a good reason why you should dress otherwise. The tendency this fall is to break away from dark shades and to wear the more highly colored fabrics. I have them all—olive shades of blue and brown, tans, grays and greens in all the fashionable hues. Any one of them tailored to your individual measure at

CLEANLY WOMAN.

Erroneously Thinks by Scouring Her Scalp That She Cures Dandruff.

Cleanly woman has an erroneous idea that by scouring the scalp, which removes the dandruff scales, she is curing the dandruff. She may wash her scalp every day, and yet have dandruff her life long, accompanied by falling hair, too. The only way in the world to cure dandruff is to kill the dandruff germ, and there is no hair preparation that will do that but Newbro's Herpicide. Herpicide by killing the dandruff germ, leaves the hair free to grow as healthy Nature intended. Destroy the cause you remove the effect. Kill the dandruff germ with Herpicide. Mrs. Minnie E. The bride-elect was the recipient of many useful presents. The house was beautifully decorated with autumn leaves, palms, ferns and chrysanthemums. The guests enjoyed themselves, tripping the light fantastic to the music of a good orchestra employed for the occasion. Light refreshments were served and at 12:30 o'clock the happy assembly dispersed, each wishing the bride-to-be many happy returns of the season.

COMMON COLDS

Become a serious matter if neglected. Bronchitis, pneumonia, asthma, catarrh or consumption is the common result. Get rid of that cold at once by taking Williams & Co.'s White Pine Cough Syrup. With it the most obstinate coughs yield to its grateful, soothing action, and to the rattling, persistent cough, often present in consumption, it gives prompt and sure relief. In fresh colds it is the remedy, breaking up the cold in a few hours and giving you a restful sleep. In the face of all these facts it is not a high priced remedy, but sells at 25c a bottle.

WORK THAT TELLS.

Plenty of It Has Been Done Right Here in Maysville.

Cures that last are cures that tell. To thoroughly know the virtues of a medicine you must investigate the cure and see if they prove permanent. Doan's Kidney Pills stand this test, and plenty of proof exists right here in Maysville. People who testified years ago to relief from backache, kidney and urinary disorders now declare that relief was permanent and the cure perfect. How can say Maysville sufferer longer doubt the evidence? M. C. Chisholm, 317 East Second street, Maysville, Ky., says:

"The cure which Doan's Kidney Pills effected in my case several years ago has remained permanent, and the testimonial I gave in their favor at that time still holds good. As previously stated, I was bothered a great deal by the too frequent action of the kidneys, this being especially annoying at night, when I would be obliged to arise several times. Having my attention called to Doan's Kidney Pills, I procured a box at J. J. Wood & Son's Drugstore, and I had only taken them a short time when I noticed a marked improvement in my condition, and continuing with their use was cured. I have since learned of several instances in which Doan's Kidney Pills have been used with like results, and this has only served to strengthen my already high opinion of them."

HON. BEN L. BRUNER

Captured the Crowd Last Night
—Splendid Republican Meeting

Limestone Republican League Makes Its First Appearance

The announcement that Hon. Ben L. Bruner, Secretary of State for Kentucky, would deliver a Republican speech at Maysville last night drew a large crowd to the Courthouse. There were fully 500 Republican voters present to applaud the eloquent and telling hits of the distinguished speaker.

The Limestone Republican League, Maysville's representative political club, made its initial appearance in public last night when the organization, 120 strong and wearing neat silk badges, bearing its name, marched in a body from the Courthouse to the Central Hotel to escort Dr. Bruner to the Circuit Court room, where he delivered his address.

The first appearance of the Club elicited much favorable comment and the organization is going to make its work and presence felt in all Mason county campaigns hereafter.

Lieutenant Governor Cox, in a happy vein, introduced Dr. Bruner, and among other complimentary allusions to him declared he was the second W. O. Bradley of Kentucky.

Dr. Bruner then thanked Mr. Cox and branched off into his eloquent and red-hot Republican speech of nearly an hour and a half's duration. We have not sufficient space to even give a brief resume of the speaker's remarks, but will pay him the deserved compliment of saying that he delivered many sledgehammer blows at Bryan and Bryanism and rightly named him the Bugaboo-in-Chief of the political world.

Dr. Bruner took for his text "Protection" and how it has been the Paladium of our unparalleled industrial progress.

Dr. Bruner is all right.

Keep your eye on the Limestone Republican League.

NO MAN DELIBERATELY BUYS POOR CLOTHES.

He thinks their good, worth the money, or he doesn't want them. Just the same, lots of men are paying their good money for cheap cotton mixed goods and they think they are being real economical because they get such clothes for a little less than all wool would cost. This cotton-mixed stuff is very deceiving, even expert clothing men find it difficult at times to tell whether or not a fabric has cotton in it. As for the inexperienced wearer, we've seen fabrics that looked good enough to sell for \$20 for the suit that was at least 60 per cent. cotton and really worth about \$6 the suit. You get no such "flim-flam" when you trade with us. Thirty years selling good clothes enables us to separate the "sheep from the goats." When we say all wool we live up to it.
